

Priorities for Peri-Operative Research in Africa

<https://doi.org/10.1111/anae.14934>

For which topic were research priorities identified?

perioperative research

In which location was the research priority setting conducted?

Africa

Why was it conducted at all?

What was the objective?

What was the outcome?

How long did the research prioritization take?

Which methods were used to identify research priorities?

Delphi

How were the priorities for research identified exactly?

Which stakeholders took part?

How were stakeholders recruited?

Were stakeholders actively involved or did they just participate?
