

Use of a Modified Delphi Approach to Develop Research Priorities in HPB Surgery Across the United Kingdom

<https://doi.org/10.1016/j.hpb.2019.03.352>

For which topic were research priorities identified?

hepato-pancreato-biliary surgery

In which location was the research priority setting conducted?

Europe - United Kingdom

Why was it conducted at all?

What was the objective?

What was the outcome?

How long did the research prioritization take?

Which methods were used to identify research priorities?

Delphi

How were the priorities for research identified exactly?

Which stakeholders took part?

How were stakeholders recruited?

Were stakeholders actively involved or did they just participate?
