

# A Research Agenda for Bipolar Disorder Developed from a Patients' Perspective

<https://doi.org/10.1016/j.jad.2018.05.061>

## **For which topic were research priorities identified?**

bipolar disorder

## **In which location was the research priority setting conducted?**

Europe - Netherlands

## **Why was it conducted at all?**

## **What was the objective?**

## **What was the outcome?**

## **How long did the research prioritization take?**

## **Which methods were used to identify research priorities?**

focus group; survey

## **How were the priorities for research identified exactly?**

## **Which stakeholders took part?**

## **How were stakeholders recruited?**

## **Were stakeholders actively involved or did they just participate?**
