

Top 10 Research Priorities for Human Milk Banking and Use of Donor Human Milk: A Partnership Between Parents and Clinicians

<https://doi.org/10.1111/jpc.14742>

For which topic were research priorities identified?

human milk banking and use of pasteurized donor human milk

In which location was the research priority setting conducted?

Australia - Australia

Why was it conducted at all?

What was the objective?

What was the outcome?

How long did the research prioritization take?

Which methods were used to identify research priorities?

JLA method

How were the priorities for research identified exactly?

Which stakeholders took part?

How were stakeholders recruited?

Were stakeholders actively involved or did they just participate?
