## Priorities for Advancing Research on Youth with Autism Spectrum Disorder and Co-Occurring Anxiety

https://doi.org/10.1007/s10803-017-3320-0

For which topic were research priorities identified? autism spectrum disorder and co-occurring anxiety
In which location was the research priority setting conducted? North America - USA
Why was it conducted at all?
What was the objective?
What was the outcome?
How long did the research prioritization take?
Which methods were used to identify research priorities? meeting; survey
How were the priorities for research identified exactly?
Which stakeholders took part?
How were stakeholders recruited?

Were stakeholders actively involved or did they just participate?
