

Priorities for Future Research about Screen Use and Adolescent Mental Health: A Participatory Prioritization Study

<https://doi.org/10.1101/2021.06.09.21256585>

For which topic were research priorities identified?

screen use and adolescent mental health

In which location was the research priority setting conducted?

Europe - United Kingdom

Why was it conducted at all?

What was the objective?

What was the outcome?

How long did the research prioritization take?

Which methods were used to identify research priorities?

consultation; group discussion; survey

How were the priorities for research identified exactly?

Which stakeholders took part?

How were stakeholders recruited?

Were stakeholders actively involved or did they just participate?
