

Curriculum Vitae | Dr. Egor Burda

Personal details

Surname: **Burda**
First name: **Egor**
E-Mail: **Egor.Burda@lbg.ac.at**
Nationality: **Russian**

Major research interests:

- ✓ Ecosystem-level factors of open and collaborative research practices
- ✓ Micro-foundations of open and collaborative research practices
- ✓ Openness in science and innovation

Current employment

01.2022-to date	Ludwig Boltzmann Gesellschaft Open Innovation in Science Center (LBG OIS Center) Post-doc researcher (full-time)	Vienna, Austria
01.2022-to date	Copenhagen Business School Department of Strategy and Innovation Guest researcher	Copenhagen, Denmark

Degrees

10.2017-10.2021	PhD in Management Graduated with honors GPA: 8.36/10 Title of Dissertation: "Innovation ecosystem models in power sector" Department: Strategic and International Management	The HSE University, Moscow, Russia
09.2015-06.2017	Master in Strategic Management and Corporate Governance (M.A.) Graduated with honors, magna cum laude GPA: 9.31/10 Major: Strategic management Thesis: "Innovation Ecosystem Models within Power and Energy Sector"	The HSE University, Moscow, Russia
09.2010-06.2014	Bachelor in Management (B.A.) Graduated with honors, magna cum laude GPA: 97/100 Major: Management	DNTU, Donetsk, Ukraine

Previous work experience (and selected tasks)

03.2020-12.2021	Lecturer Teaching: <ul style="list-style-type: none">» Strategic Management (Bachelor's program)	The HSE University, Moscow, Russia
-----------------	--	------------------------------------

- » Project Seminar "Strategic Consulting" (Bachelor's program)
- » Strategy Implementation (Bachelor's program)
- » International Strategic Alliances (Masters' program)

Achievements:

- » Best teacher of the year (2021, 2020)
- » Award for publication in an international peer-reviewed journal (2020)

04.2017-03.2020 **Research Assistant Fellow** The HSE University, Moscow, Russia

Teaching:

- » Strategic Management (Bachelor's program)
- » Business Models and Methods in Strategic Management (Masters' program)
- » Strategy Implementation (Bachelor's program)
- » International Strategic Alliances (Masters' program)

Achievements:

- » Best teacher of the year (2018)

09.2016-12.2021 **Freelance consultant** Moscow, Russia

Major projects

- » (2021) Concept for development of Russian hydropower sector (2021-2035)
- » (2021) Global monitoring of innovative technologies adoption within electric power sector
- » (2020) Transformation of Russian electric power sector under energy transition
- » (2019) Developing the model and business process for innovative development of JSC "Rosseti"
- » (2019) Innovation ecosystem models in Russian electric power sector (research project)
- » (2018) Collaboration mechanisms of economic agents within smart grids (research project)
- » (2017) Developing the propositions for the development of power and energy sector technologies in Russia
- » (2017) Collaboration mechanisms of economic agents within smart grids (research project)
- » (2017) Developing the approaches for the creation of retail electricity market models in Russian power and energy sector (research project)
- » (2017) Assessing the potential for the creation of production of components and materials for composite utility poles in Russia
- » (2016) Development of the strategy for innovative cluster "Machine manufacturing valley" of Lipetsk region
- » (2016) Research of the technological platforms development within power and energy sector of EU

Organization of and participation in scientific conferences

2021	Academy of Management Conference Participation	Virtual
2020	GSOM Emerging Markets Conference 2020 Speaker on: "Exploring Internal Mechanisms of Innovation Ecosystem: Case of Russian Electric Power Sector"	St. Petersburg, Russia

2020	DRUID Academy 2020 Speaker on “Innovation Ecosystem Models in Russian Electric Power Sector”	Odense, Denmark
2019	GSOM Emerging Markets Conference 2019 Speaker on “Institutional Factors of the Innovation Ecosystem Model in Russian Power Sector”	St. Petersburg, Russia
2018	The 13th World Congress on Engineering Asset Management Speaker on “Co-Value Creation within the Business Model for Smart Grids: Case of Russian Autonomous Energy Complex”	Stavanger, Norway
2017	International BRICS Global Business and Innovation Conference Speaker on “Development of the target model for the power industry innovation ecosystem”	St. Petersburg, Russia
2017	Academy of International Business US Southeast Chapter Co-author on “Network Collaborations within the Technological Platforms: IESR Experience”	Washington, USA

Research funding and grants

10.2018-10.2021	Research grant Funded by Russian Fund for Basic Research: “innovation ecosystem models in Russian electric power sector”	14.000 Euro
-----------------	--	--------------------

Other key academic merits

Since 2018	Referee for scientific journals <ul style="list-style-type: none"> » Energy Science & Engineering (Q2 Scopus, 29 H-index, 4.170 impact factor) » International Journal of Energy Sector Management (1 AJG, Q3 Scopus, 22 H index) » International Journal of Global Energy Issues (Q3 Scopus, 25 H-index)
------------	---

Other merits

Software and programming skills

- » MS Office (excellent)
- » SPSS (good)
- » Mendeley (good)
- » R (basic)

Language skills

- » Russian (native)
- » English (excellent)
- » German (basic)

List of publications | January 2022

Research output

- » Burda Y., Gavrikova, E. Innovation ecosystems in developing markets: empirical evidence from Russian electric power sector // *Technology Analysis & Strategic Management* (under review) - 2 AJG, Q2 Scopus, 68 H-index.
- » Gavrikova E., Volkova I, Burda Y. Implementing asset data management in power companies // *International Journal of Quality and Reliability Management*. 2021 (Early online view) - 2 AJG, Q2 Scopus, 89 H-index.
- » Volkova I., Burda Y., Gavrikova E. Co-value creation within the business model for smart grids: case of Russian Autonomous Energy Complex, in: *Engineering assets and Public infrastructures in the Age of Digitalization*. Springer, 2020. P. 864-872. (2 citations in Google-scholar).
- » Gavrikova E., Volkova I., Burda Y. Strategic Aspects of Asset Management: An Overview of Current Research // *Sustainability*. 2020. Vol. 12. P. 1-29. - 2 AJG, Q2 Scopus, 85 H-index. (5 citations in Google-scholar).
- » Burda Y., Volkova I., Gavrikova E. Meaningful analysis of innovation, business and entrepreneurial ecosystem concepts // *Russian Management Journal*. 2020. Vol. 18. No. 1. P. 73-102. (5 citations in Google-scholar).
- » Gavrikova E., Burda Y., Gavrikova V., Sharafutdinov R., Volkova I., Rubleva M., Polosukhina D. Clean Energy Sources: Insights from Russia // *Resources*. 2019. Vol. 8. No. 2. P. 1-25. - Q2 Scopus, 30 H-index. (10 citations in Google-scholar).
- » Burda Y. Network Collaborations within the Technological Platforms: IESR Experience, in: *AIB-SE Conference Proceedings*. Academy of International Business, Southeast USA Chapter, 2017. P. 142-142.
